

Authors' statements (according to the "*Uniform Requirements for Manuscripts Submitted to Biomedical Journals*" by the International Committee of Medical Journal Editors)

1. Conflict-of-Interest Statement

I declare not to have financial or personal relationships that inappropriately influenced my research (dual commitments, competing interests, competing loyalties, etc).

Signature _____

2. Statement of Informed Consent

I declare that the paper does not include any identifying information (e.g., patients' names, initials, records, or hospital numbers), unless the information is essential for scientific purposes and the patient (or parent or guardian) gave written informed consent for publication. The informed consent will be indicated in the published article.

Signature _____

3. Statement of Human Rights

I declare that the procedures followed for the research were in accordance with the ethical standards for human rights approved by the responsible committee of my research and/or clinical institution.

Signature _____

The first Author should sign the statements on behalf of the other (co)Authors.

The signed form has to be sent by fax to the number ++39 0935 936533 , or in scanned or pdf format to the e-mail fbuono@oasi.en.it.
